LOUISE STONEBANK

Louise Marie Stonebank (maiden name being Flavell) is a 23rd Precinct Music / Notting Hill Music songwriter and vocalist. Louise is an established songwriter working across a multitude of genres and styles. In addition to songwriting her powerful vocal abilities have seen her feature on numerous tracks. Well renown for her Monstercat alias EMEL, the Birmingham based singer songwriter is married to
English Monstercat producer, Stonebank, and has provided vocals for eight of his releases on the label

Louise is a unique, versatile and experienced artist of today. From the early age of 11 she discovered her passion for music by writing her own songs and set her heart on a career in Music At the age of 18 she then went on to win various karaoke contests across the country leading up to her 15 minutes of fame when she featured in ITV's Pop Idol. Lou's talents saw her reach the final 50 out of the 10,000 wannabee stars who entered the contest. She later audtioned for the hit television show X-Factor but unfortunately had to withdraw due to illness.She has been working with different producers recording her own songs, lyrics written by herself in a range of different styles including funky, electro, dance, bassline , speed garage , trance ,hard house and hardcore with tracks signed to many different labels in all genres of music, this amazing artist goes from strengh to strength. She also has other tracks out on release which are being regularly played out in clubs around the uk and all over the world Working with some of the finest ,talented artists to date, you can see many of her tracks featured on well known compilations.Now signed to 23rd precinct music publishing company, where she not only writes for herself but for other mainstream Pop/Chart artists across the globe.
